 - 4.1.2. The data provided in the form is processed for the purpose resulting from the function of the specific form, such as business contact or partner contact
5. The website does not automatically collect any data, except for the information contained in cookies.
 - 5.1. Cookies are small text files that are stored on your device using your browser. They contain certain data (e.g., preferred language or site settings) that the browser may resend the next time you visit the site, depending on how long the cookie has been stored.

- 5.2. Cookies are used for:
 - 5.2.1. adaptation of the content of the Website's pages to the User's preferences and optimization of the use of these pages; cookies enable recognition of the User's device and appropriate display of the page, tailored to the User's individual needs;
 - 5.2.2. generating statistics to understand how Users use the websites, which allows to improve their structure and content;
- 5.3. Web browsing software (browser) often allows cookies to be stored on the User's device by default. Users of the Website can change their cookie settings at any time. They can do so by, among other things, blocking the automatic handling of cookies in the browser or turning on notifications of their storage on the User's device. Detailed information on the handling of cookies can be found in the settings of your web browser.
- 5.4. The Operator of the Website informs that restricting the use of cookies may affect the operation of certain functions available on the Website.
- 5.5. Cookies placed on the User's device may also be used by advertisers and partners cooperating with the Website Operator.
- 5.6. More information about cookies can be found at: wszystkooociasteczkach.co.uk or in the 'Help' section of your web browser menu.
6. Data sharing:
 - 6.1. Data may be shared with third parties only to the extent permitted by law.
 - 6.2. Identifiable data of an individual is transferred only with the individual's consent.
 - 6.3. The Administrator may be obliged to provide information collected by the Service to authorized bodies on the basis of lawful requests, to the extent specified in such a request.
7. If users do not want to receive cookies, they can change their browser settings. Most browsers allow users to control cookies in their preference settings. Users should read the privacy policies of these browsers to understand their cookie policies. Restricting the ability to set cookies may impair the overall user experience on websites.
8. You have the right to access the content of your data and to request rectification, deletion, restriction of processing, the right to data portability and the right to object to data processing, as well as the right to lodge a complaint with the supervisory authority for the protection of Personal Data.
9. To the extent that your data is processed on the basis of consent, you may withdraw this consent at any time by contacting the Administrator.
10. The User has the right to object to the processing of data for marketing purposes, if the processing is carried out in connection with the legitimate interests of the Administrator, as well as - for reasons related to the User's particular situation - in other cases where the legal basis for data processing is the legally justified
